

DeadScans

If you are going to read this you have to understand these:

- 1) My english is not very good so there are going to be mistakes
- 2) I'm trying to improve my japanese but I don't think that I did a so wrong job translating it (I hope)

Formerly,
who was
ruling this
world, was

This beast...
is the strongest!!

The [fight]
with the
beast

But, after
hundreds
of years
later...

Damn

changed to
a [hunt]

MONSTER
MONSTER

Striking
like a
idiot...

That protagonist (Nilito)!

This man who is
fighting bravely
with the beast

MONSTER

Chapter 3
The Bonds of a parent
and child

飛田ニキイチ

Wait for me
Because I'm
going to capture
it and return!!

Mother...
I'm the only one
who always
don't hear what
you say, but,

this time is
different!!

Hey!
Wake
up!!

Several
days
ago...

Today, today,
today!!
You are going
to—

Where he
has gone...
That child...

Find
employ-
ment!!

!!?

What!!?

Impossible
I wonder if he
has gone by
has even will to
look for an
employment...

Zesuto
Hospital

Doctor!!

There are different ways of living. There is no need for him to become a [hunter].

There are persons who couldn't survive, too.

There are persons who sustains severe injuries, and they can never hunt again...

Malena-san, is a hospital, calm down...

Is good if it is something as easy as collecting corpses? It is a work!

!!?

I never told him to become a hunter!!

I...
I...

That kid, despite having 29 years, the only thing that he does is being lazy around the house...

Maybe I have to recommend the treatment to ease her heart...

Now, now... Calm down...

There is almost no jobs that don't take into account the age nor the academic background!!

With an easy examination you can obtain the lowest class, right?

If these kinds of things happen...

As... I did something idiot.

!!

Now I have a fracture!!

Anyway, is good that for hurting my foot

Seems to be that he is of those who learn from their mistakes...

I'll start looking but don't have hope please...

Doctor...
You will not have a medicine for the child to work for the good of his mother?

And now I don't have the need to work or walk for one month or more...

ZESUTO GRUPPO PIRELLA

I'll start looking but don't have hope please...

After you
have the
medicine,
returns
without
leaving
your way!

Ye-s

if you
have the
cane, you
can go
home
alone,
right?

Then,
mother
is going
to work!

Mother looks
somehow
tired...

Ha...

She have
her years...
And her body
has become
small too and
her wrinkle has
increased...

It's tired
sustaining her
son and even
accompany
him to the
hospital... And
in his fifties

Uu...

Feature (If you noticed something strange about your parent in their early stage you can still save their life) (Be a good son for your parent life)

She appear to be healthy, but she doesn't have any illness, right?

If mother dies, I...

A good son...?
For me the unhappiness of my parent is irrelevant.

Ye-
Yes!!

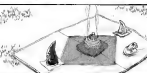

Excuse me...

I have a little request...

?

If I'm not mistaken, this was a tool for praying...

Yes... Thank you.

Is... Is good this way?

What I do... Will be alright if I leave now...

Nurse...

That's not right! You have to rest on bed!!

There you are!! Minara-san!!

Eh?

is okay if
you die for
doing
something
unreason-
able?!!

But,
Minoro-san,
if your
condition
worsen,
nothing is
going to
happen!!

I don't know
for what he is
passing
now... But, I
can't do
anything but
pray to the
god of the
hunting.

I'm
worried
about
that child.

14

Relative?

?
?
?

You are a
relative
and you
didn't hear
anything?

E-err,
what
means
that?

Juuyaku

The
drugs
that you
can
obtain
from the
beast

In order to cure
the disease of
Minera-san,
is necessary the
whirlpool horn
of the Anagauma
for the Juuyaku
(beast-medicine).

His son
went to get
medicine

Without
a capable
hunter
accompanying
him, he went
alone.

He has the
strength,
but if he
can come
back safe...

[Anagauma] is
a beast of a
high level for
hunting, and
that Yuuyaku
is rare so we
couldn't
prepare it...

If we wait for
the market to
change, is not
good for the
condition of
Minera-san...
Therefore,

I'm
going to
get it!!

My mother
too was in
the same
way that
Minera-san
—

Now I
remember
that when I
was kid and
I had fever...

Now I
understand,
praying for
his safe
return...

She too
prayed.

Ha
...

It can't be...
When I start
to remember
them, come
out...

Ku
...

It's
alright.

Today it
was
Mother's
Day?

I'm awfully
consciously of
mother today.

When I hear
this story,
many things...

Soon
the fever
is going
to drop.

When I was a
child I had
given away
only a shitty
portrait to
her...

What I've
done for my
mother?

That moment when he said he is going to take, in his eyes it showed its determination to something.

Minene-san, please.

Gu...

You're...
You're wrong!!

That time with that face, he is determined to do something unreasonable. Seriously, that kid...

He don't understand the feelings of his parent... What an idiot son...

Please, return to your room.

If I were in the same position...

Take the sentiments of your son in consideration please!!

If I were in the same position...

Don't do something absurd!!

Your...
Your son...
Want...
Want to help you!!

Mother!!

Mineria-san!!?

Ke...

Ua...

Y-Yes!!

It's terrible!!
I'm going to
call the
doctor so
watch her!!

What
happens!!
Come back
quickly!!
Your mother
is suffering!!

If she dies
you will not
be able to
talk again,
is ok even
so?

Mineria-san!!
Hold on
please!!

Ye...
Yes

I'm... I'm
putting
Mineria-san
above of
mother!!

Though you
make the
idiot, she
doesn't
scold you...

I got it...

Mother!!

The
conclusion
of the
film!!

Mineris-san,
Your son has
come back!!

Raygan-
kun!!

No, I only was near by chance. I didn't do anything...

Thank you.

You, you were taking care of my mother, right? I heard it from the nurse.

I was deeply moved by your strong bond between you two, mother and son.

I think that is amazing.

I have something on my face?

21

Um, you know...

I was
raised
there.

You
know the
orphanage
College?

But we are
not true
mother and
children!!

When I
was a
kid...

Is.. that
right...

Eh?

Well, although I
have not changed
much... Yet she
always scold me
about the sake,
tobacco and
gambling.

my mind
went blank.

And
when my
energetic
mother
suddenly
was going
to die,

I was a
boy that
did
nothing
but fight.

an idiot who
was always
causing
problems
to mother

that person
was going
to die.

Being
unable to
repay her
kindness to
the person
who raised
me,

Where you are
facing the death,
there is a saying
that people learn
the true despair...

I do not know if
mother was in
despair, but,
she was ready to
accept her own
death.

As said,
I learned
the despair.

Next was
that I was
moving
forward
to my
objective
without
thinking

Obtain the
horn and
somehow
save my
mother.

But, when
I heard it
that with
the janyaku
she can be
saved,

I thought that
I wouldn't
stay with only
remorses.

If anything
happened,

But if I
failed to get
the hom...

.....

...I see.

Then

Yes.

Oh...
The kids
from the
orphanage
have
returned!!

Ahh! It's
Raigan!

That aside,
good thing
that she was
saved....!!

[No matter
what happens,
I don't want to
stay with only
remorses]

The words of
Kariage-nisan
resonated
strongly in my
heart.

A good
son,
eh?

What I
have to
do for be
a good
son?

Good... I'm
going to value
my mother
so I don't
stay with
remorses too.

俺は孝行
でいい
I can be a
[good son]!!!

Because I was supporting you when you were walking that my shoulders are stiff.

What happens?

You ask that...?

E... I should message it?

.....

.....

You know... I was thinking that this time I caused you many problems.

That's why...

Then... Then, please.

Y-Yes.

Ah...

What is this?

Many things happened when I was waiting for the medicine...

Why you were late?

Yes ...

Your foot is fine?

Wait!! Where did you get that weeping again...!!

You don't think you've caused problems in the slightest!!!

Wait, why you bought a game!! And the medicine!!?

Yes ...

That's correct.

Is there, master?
